**Product Change Notification**  
Type of Notification: Changing Blister Pack

This is to advise you that the following products have been changed.

**1. Product Being Changed**

CHS80 models ( All models excluding SMD options and SMD X-versions (minor change products). )

**2. Description of Change**

To improve availability, we will change the blister pack of packaging products.  
So the appearance (color) will be changed, please see Tab 2.1 below for details.  
However, there is no change in material (A-PET), electrostatic resistance (electric conductivity), external dimensions / shape.

Table 2.1 Description of Change

Item	Current	After Change
Appearance		
Size[mm] ( WxHxD )	265 x 22 x76 ( No Change )	

**3. PCN Effective Date**

This is a running change, beginning in the production October 2017.  
Please be advised that the schedule may be changed without prior notice due to stock availability.

**4. Who to Contact at Cosel with Questions**

Cosel sales representatives

Should there be any questions, please feel free to contact us.

Sincerely yours,

Yoshimichi Hirokawa
