Title: *D-Sub IDC strain relief clamp – 0966 x08 0001*

Details of product changes

1. Concerned part number (see also attachment):

PART NUMBER	Size
0966 108 0001	1 (9pol)
0966 208 0001	2 (15pol)
0966 308 0001	3 (25pol)
0966 408 0001	4 (37pol)

2. Description of changes / news:

In relation to PCN/D-Sub/1304ABC HARTING will offer a special service. With ordering P/N 0966 x08 0001 we will provide a set packaging with two strain relief clamps during a transitional period. With this service we want to prevent confusions during the change to a new connector style. Every set will include an instruction leaflet how to select the correct strain relief.

Set will include the following:

<ul style="list-style-type: none"> New strain relief clamp  	 <p>0966 x08 0001</p>
<ul style="list-style-type: none"> Old strain relief clamp  	
<ul style="list-style-type: none"> instructions how to identify the correct strain relief clamp 	

3. Impact on product specification:

No further impact on product specification
